Opened by the Creative Restaurants Group in 2014, Posto was the end of a long search for the perfect location for an authentic, open-flame pizzeria and wine bar. Beautiful and unique, Posto serves food that is edgy, different and totally its own.

Plates are made to share, allowing guests to enjoy variety with every visit. Chef Benjamin Mills' menu includes intricate creations like hand-made pierogis with fig crème fraiche and smoked bacon jam or duck confit with apple, pistachio and boar sofrito.

Along with plates to share, Posto is popular for its pizzas, each topped with simple, quality ingredients and baked next to an open flame. Crispy, chewy and hand-stretched, our pizza is easily some of the best pizza in North America.

The interior of Posto hosts a sophisticated, rustic atmosphere that brings a casual elegance to a relaxing evening out. Industrial metals are softened by walls of re-claimed wood and white marble tables. Black and white movies play in the background of the dining room and an open kitchen allows guests to watch cooks create food right before their eyes.

Posto in Italian translates to place. We chose that name for the restaurant because Posto truly stands out as the place to meet friends and family, enjoy incredible food and drink beautiful wine.

## Family-Style

---

\$49-\$80 per person

A family-style event at Posto is nothing short of an experience of a lifetime. In one meal, we seek to capture all of the warmth and generosity of a classic Italian gathering. Completely Chef's choice, family-style dining is an amazing three-to four-hour dining experience, which features upwards of 20 different plates all brought to the table to be shared.

This dining event is truly a marathon, not a race, as guests are encouraged to take their time – enjoying the delicious wine, company and ambiance around them as plate after plate of mouth-watering food is brought to the table.

Family style is all chef's choice, courtesy of our Chef, Benjamin Mills.

## Grandioso

---

\$72 per person

Grandioso is a stand-up, cocktail event where an abundant selection of dishes is placed for guests on our Ben Coperto bar, constantly replenished by cooks who prepare everything right in front of guests. The benefit of this dining style is the flow and interaction between guests as they move around the room, enjoying food and wine. Known as a place for those with an adventurous palate, this is an amazing chance for guests to try some truly exceptional and unique food.
